

### REMARKS

In response to a restriction requirement in the Office action mailed on August 22, 2007 for the above application, Applicants elect claims 1-5 and 7-10 of Group I for continued examination. Applicants reserve the right to file divisional applications containing the unelected claims. Claim 6 is hereby canceled.

Please note that a Request For Correction of Filing Receipt is also being submitted for the above application. The most current filing receipt, which was mailed on August 23, 2004, does not include the priority claim to U.S. Provisional Application Serial No. 60/464,681 filed April 22, 2003. Applicants properly made the priority claim upon filing of the above application.

As always, the Examiner is invited to contact the undersigned at the telephone number appearing below, if it is believed that such would aid in furthering the prosecution of the present application.

No additional fees for filing this response are believed to be due. However, if such fees are due, the Commissioner is hereby authorized to charge them to deposit account no. 17-0055.

Respectfully submitted,

*William J. Hansen et al.*
